

INTRODUCTION TO THE SUPERNATURAL CERTIFICATE PROGRAM

The greatest obstacle to flowing into the supernatural is ignorance. God has given us all powerful and supernatural weaponry, but we do not know how to use it. This certificate of Introduction to the Supernatural Ministry is designed to bring revelation, training, activation, and impartation in the supernatural area. After completing this program you will be able to bring God's power into your life and that of others to prophesy, to heal the sick, and bring deliverance.

The list of courses that make up the Certificate of Introduction to Pastoral Care are the following:

Faith I
Evangelism with Miracles I
Inner Healing and Deliverance
Divine Health and Healing
How to Walk in the Supernatural Power of God I
The Gifts of the Holy Spirit, Here and Now I

Note: Each course contains several lessons, ensuring that you will receive in-depth knowledge on each topic. The courses of each program will be available for one year from the moment you enter the program. Completing the program entitles you to obtain a certificate from the University of the Supernatural Ministry (USM) that can be credited towards a ministerial degree program if you choose to go through the admission process, and are admitted as a regular college student. Entering the certificate program does not make you a regular USM student or guarantee admission in the future.
